**Location:** Aurora, CO

**Owner:** Dr. Nathaniel J. Moore, MD

**Architect:** Friday Design

## Specifications

- 2,650 SF Renovation Of Medical Office Space within a building that remained open throughout construction.
- Work included Reception/Waiting Area, Records Storage, Nurses Station, 5 Exam Rooms, Patient Toilet, Lab, Staff Toilet, Break Room And Office.
- Services Provided—Construction Manager/General Contractor

## References

- Bleeker & Vigesaa, LLC accommodated all of our needs to construct our new space without disrupting our ongoing multiple practices in the remainder of the building. They carefully installed safety barriers to separate the work area from the rest of the building and continuously cleaned up after themselves.
- We are very satisfied with the success of the project and we are pleased to provide them an excellent reference as a general contractor and will not hesitate to work with them again on future projects.

To Whom It Concern:

We have had the pleasure of working with Bleeker & Vigesaa, LLC on the renovation and tenant finish for our Medical Office space. Bleeker & Vigesaa accommodated all of our needs to construct our new space without disrupting our ongoing multiple practices in the remainder of the building. They carefully installed safety barriers to separate the work area from the rest of the building and continuously cleaned up after themselves.

Their pricing for the project was very fair and they did not ask for any change orders except for the upgrades that we asked for during construction. The project was done on time with them meeting the dates exactly per the schedule that we agreed to at the start of the project.

We are very satisfied with the success of the project and we are pleased to provide them an excellent reference as a general contractor and will not hesitate to work with them again on our future projects. Please do not hesitate to contact us if you have any questions about their work.

Sincerely,

Nathaniel J. Moore, MD

President

Potomac Square Family Medicine, PC
