 Denver, CO

References

“I appreciate the professional competence, experience and care provided by BleekerVigesaa General Contractors, Inc. Their team executed our first medical center with a smooth and problem free process. BleekerVigesaa General Contractors rose to the challenge of meeting our building needs within our budget and on time. We are very pleased with them and I would absolutely recommend BleekerVigesaa to anyone seeking a contractor in the health care industry.”
*Harold Dupper, President
 Platt Valley Medical Center*
