"I was working with a contractor, who was building my house, at the same time as I was working with BleekerVigesaa on my restaurant project, the difference was amazing, where BleekerVigesaa did exactly what they promised they would do and always followed through, this was not true for the other contractor. BleekerVigesaa did a great job!" **Jacob Gram, Partner, Terragram Ventures, LLC, Owner of the Erbert and Gerbert's Clubs and Subs Restaurant (970) 389-3796**
